

## Up for Offer – Pontiac Firebird

12/1986 manufacture date.

### **1987 Pontiac Firebird.**

Right Hand Drive. Modification plate 1995.

V8 Engine.

Part of deceased estate. Proceeds to be donated to the St George Pistol Club.

We understand this highly sought after car was in going order when the owner (who loved his Firebird very much) dropped the old fuel tank out and then became too unwell to get the brand new tank back in. We believe (but cannot guarantee) that all required parts are there to put fuel tank back into vehicle and put rear axle back in place (to get it rolling again).

Of course the photos don't do it justice as it has a few years of dust hiding what is a pretty straight (for its age) body.

See photos below. To arrange an inspection, please contact:

Original plan was to get back together before offering for sale, but as soon as word got out, offers have begun arriving. Therefore we are offering the vehicle as is, where is.

Note: Rags on Drivers Seat are hiding (not on purpose) a seat that may need reupholstering.
